

NEW GRAD THERAPY MENTORSHIP PROGRAM

Fusion

MEDICAL STAFFING

You've got the skills and we think you're awesome! But hold up; we aren't going to throw you to the wolves. We have our very own **New Grad Mentors** to help you through your student to travel career transition!

Your perfect match

If you're a PT, OT, or SLP; we have a mentor for you! New Grad Mentors are here to get you comfortable with being a first time traveler no matter the setting or location.

Midpoint check-ins

The first half of your assignment might seem like a whirlwind. We'll check in with you halfway through your assignment to see how you and your New Grad Mentor are hitting it off.

Same setting

We'll pair you with a seasoned Fusion traveler that is an expert in the setting you've chosen. They'll share first hand experience and feedback along your professional adventure.

Your support on the road

If you're looking for a professional connection or someone to bounce ideas off of, your New Grad Mentor is yet another friendly face in this new phase of your life.
