

NEED TIME AWAY FROM WORK?

Fusion has 2 types of leaves available to our travelers: Family & Medical Leave Act (FMLA) and Medical Non-FMLA Leave:

- **Family & Medical Leave Act (FMLA)**

FMLA entitles eligible employees to take unpaid, job-protected leave for specified family and medical reasons.

- **Medical Non-FMLA Leave**

May be granted when an employee does not qualify for FMLA and needs to take time off work due to their own medical reasons.

Additional information can be found in the Contract Employee Handbook. (Located in UKG/My Company/News & Information/2022 Traveler Handbook)

Communication regarding attendance and punctuality are imperative to continuing employment with Fusion. It is the employee's responsibility to submit a leave of absence request to their Fusion recruiter and leaves@fusionmedstaff.com

Travelers should refer to their Fusion Employment Agreement ("Contract") for more information regarding expected attendance requirements.
